## Weekly Prayer

Pray for the students who are sitting exams at the moment, that they would be able to recall the information they need to succeed in their exams and benefit from all of their hard work from the year.

Below is a space for prophetic art, doodling or a word you may get during the service. Please date it and put it into the box in the foyer and label whether it is for the church or someone specific.

A heartfelt thanks to all those who assisted with the recent display in the church. The interior was certainly transformed and celebrated the creativity God gives us. 125 people visited the display and \$118 was donated which will go towards Suzanne's new computer fund.
