We will train and equip those who will honour
God, making disciples to be salt and light in our
community and afar

Welcome everyone

If you are new to St John's or visiting with us, we welcome you to our service.

Pastoral Equipping and Training

Some time in February St John's is running a comprehensive free pastoral equipping/training course overseen by Wayne who will be using material produced by Jeremiah ministries Peter Kempthorne, who will be also assisting.

This course is for anyone who would like to be further equipped, developed and strengthened in the pastoral skills you are already using in your day to day lives. This will enhance your sphere of influence and is for those who want to explore their pastoral gifts and skills.

This is much more than joining a pastoral visiting team or pastoral care for the Body of Christ. We are planning on meeting on a monthly basis at this stage. There will be more details to follow.

If this is something you would like to know more about, please see me.
