A bit of a laugh

A retired doctor became very bored in retirement and decided to open a medical clinic.

He put a sign up outside that said: "Dr. Geezer's Clinic. Get your treatment for \$500. If not cured, get back \$1,000."

Doctor Young, who was positive that this old geezer didn't know beans about medicine, thought this would be a great opportunity to get \$\$\$.

So he went to Dr. Geezer's clinic.

Dr. Young: "Dr. Geezer, I have lost all taste in my mouth. Can you please help me?"

Dr. Geezer: "Nurse, please bring medicine from box 22 and put 3 drops in Dr. Young's mouth."

Dr. Young: "Aaagh! -- This is gasoline!"

Dr. Geezer: "Congratulations! You've got your taste back. That will be \$500."

Dr. Young gets annoyed and goes back after a couple of days figuring to recover his money.

Dr. Young: "I have lost my memory; I cannot remember anything."

Dr. Geezer: "Nurse, please bring medicine from box 22 and put 3 drops in the patient's mouth."

Dr. Young: "Oh, no you don't ... that is gasoline!"

Dr. Geezer: "Congratulations! You've got your memory back. That will be \$500."

Dr. Young (after having lost \$1000) leaves angrily and comes back after several more days.

Dr. Young: "My eyesight has become weak; I can hardly see anything!"

Dr. Geezer: "Well, I don't have any medicine for that so, here's your \$1000 back" (giving him a \$10 bill).

Dr. Young: "But this is only \$10!"

Dr. Geezer: "Congratulations! You got your vision back! That will be \$500."

Moral of story: Just because you're "young" doesn't mean that you can outsmart an "old Geezer."

ENJOY YOUR DAY!

St John's Membership

Within PCANZ there are two types of membership available; **Member** and **Associate**.

Members are persons recognised by the church as:

- Having been baptised and
- Having professed publicly their faith in Jesus Christ and
- Having expressed their intention to live their discipleship as part of the congregation

Associates: The list consists of persons recognised by the church as expressing their intention to be associated with the congregation.

Each year PCANZ collates information from Parishes to plan for the long term requirements and resources of the church nationally. They also use the information to determine what St John's pays per member (excluding Associates) as an annual membership levy to Head Office, as well as our Presbytery levy. For both levies we currently pay \$11,797 per annum.

We are therefore wanting to review our Membership role.

For us to update the roll we will be approaching everyone in church, regardless of how long you have been coming to St John's, to determine which type of Member you are or wish to be, as well as an indication of which age bracket you are currently in.

(Over the month of June attendance numbers were recorded and this information as well as the membership numbers are required to be submitted to PCANZ in the near future.)

Over the next few weeks we will be passing around a clip board for you to indicate your age and your preference for Membership.

If you would like to know the detailed requirements and privileges for a Member and/or Associate or if you have any questions please call the office or speak to Wayne.

Referendum Update

The PCANZ believes that all life is precious. It is our view that we are created in God's image and accordingly human life is sacred.

The Church declared in 2018 that it does not support provision for euthanasia and medically-assisted suicide as proposed in the End of Life Bill. We believe that any legally-sanctioned provision for doctors to actively end people's lives or assist them to die is ethically unacceptable and would in the long-term be dangerous for public safety - especially for those who are seriously ill, depressed, disabled or very elderly.

The Church has also urged the county's politicians to respect the dignity and value of human life as they consider how to vote on this Bill.

The Church also asked the Government to significantly increase the quality of, and access to, palliative care, hospice services, mental health services, care for the disabled and care of the elderly, including recognition of the need for spiritual care.

End of Life Choice Act referendum: Important update!

This Bill seeks to legalise euthanasia and assisted suicide in New Zealand.

As you will likely know, the End of Life Choice Bill passed its third reading, and now moves to a public vote - a referendum. So in September, all eligible New Zealanders will be asked to vote in the General Election, which will include a referendum question on what is now the End of Life Choice Act 2019. If more than 50% of voters vote 'No' to the Act, it will not come into law. If more than 50% of voters vote 'Yes', the Act will be made law.

We are getting in touch to let you know of an important development. A new 'Vote NO' organisation has been created to help educate the public about the dangers of the End of Life Choice Act 2019.

You can find it here:

It is made up of 22 members who are professionally qualified in medicine, hospice and palliative care, nursing, law, disability, ethics, advocacy, and social policy. This organisation is not aligned to other religious, civic or professional organisations.

We need your help to support and to publicise this organisation, so please visit our website and encourage others to as well.

Please educate yourself about this Act before you go to the Polling Centre.
