Hello Church Family
A creative project for us all to join together on, is a St John's Church recipe book. You will all have your tried and true recipes which you could contribute and maybe also acquire from friends and family. I envisage this as not only a food recipe book but also a recipe for life book, so any sayings, quotes, poems, hints and tips you might have to offer would also be welcome. Anyone who would like to help with the compiling of our book or has graphics skills, I'd love to hear from you. You can email me contributions at myrog@xtra.co.nz or hand them to me at church. Let's make this fabulous. We can raise funds for the church and produce a great gift for any who would benefit from its contents. Myron
