## Christian Study

"Jesus loves me this I know, for the Bible tells me so."

Have you ever wanted to go deeper into the Bible, to learn more about how Jesus shines through its pages, to wrestle with the bits you have questions about, and to step back to see more fully the whole story of what God is doing in the world?

On Tuesday evenings, join us for Biblical Theology, a Laidlaw at Large course that will enrich your faith and deepen your understanding of God's Holy Scripture.

## Thank You!

To those who donated goods for the Food for Thought stall that was held during 'Arts in the Park', thank you. We raised almost \$300 to go toward our 'Pamper Day' for a deserving mum in February 2021. We still have quite a bit of stock to sell so we will set up a sales table or if you would like to make a donation toward our 'Pamper Day' you can leave this at the office.

## Christmas Kitchen

Patty had been wanting new kitchen cabinets for a long time, but her husband Don, insisted they were an extravagance.

She went to visit her dad for two weeks and when she returned, she was overjoyed to find that Don had surprised her by installing beautiful new cabinets as a Christmas present for her.

A few days later, Debbie, a neighbour came over to visit and after admiring the new cabinets, the neighbour added, "All of us were so glad that the fire your husband had while you were gone was confined to the kitchen."

You could:

- Take this course for interest-only or as credit towards a diploma or degree program.
- Consider finding a friend and signing up together.
- Sign up with your whole small group to learn together.
