## New Plymouth Christian Leaders' Network

An excerpt from their letter of thanks:

Firstly, we wish to thank all those that travelled some distance to join with us in December for Kotahitanga at the TSB Stadium.

We estimate between 2,300 and 2,500 people attended. Thank you to those who supported us with specific tasks at the stadium especially those volunteers on security and car parking. Also thank you to the gifted musicians from 11 different churches; those who prayed over our nation and communities and Dave Mann from Shining Lights Trust.

Senior Sergeant Drew Bennett and Michelle Ramage (Roderique Hope Trust) have conveyed their sincere thanks for the \$13,226.00 contributed in the offering for Operation Blue Santa. They were astounded by such generosity and were able to distribute 156 baskets to at risk families across Taranaki for Christmas.

Holding this event in the stadium was a big step of faith practically and financially as everything was hired in, set up and then packed down again. Our total expenses have come to just over \$19,000. We are so pleased to advise that, within the last few days and thanks to the generous donations of so many, these expenses are now covered.

Thank you to Neil Penno and the team at TSH Ltd who provided their expertise, sound, lighting, visuals and personnel almost at cost to create a service that looked and sounded great. I would encourage you to support this business should the opportunity arise.

Finally there is one big question that needs to be addressed. What next?

We refuse to treat Kotahitanga as a single event!

Planning is in place for as many Christian leaders as possible to assemble together and explore future possibilities and opportunities.  
Grace and peace, Steve Batten ( On behalf of NPCLN)
