He will commence part time from April 17th as cover while we start the process of filling his position and finish at the end of the year or when we fill the position whatever comes first.

Do you love to bake - If you would like to bless the Youth Group with some home baking or bought biscuits etc could you please drop them off at the Office.

Thank You

A Note of Thanks

On behalf of Hawera Baptist Church I would like to say a huge thank you to all those who supported us in any way during our Centenary celebrations. Whether you dropped off baking; decorated a cake; helped on the day; or prayed for us, we love and appreciate you!

Thank you for helping us to be the hands and feet in our community, we couldn't have done it without you.

Cyclone Gabrielle Initiative

Session has received a Pastoral email from PCANZ regarding assistance for the Hawke's Bay area.

St Andrew's Church in Hastings has set up a service to bring equipment like generators, water pumps, water blasters and small diggers from around the country into Hawke's Bay as part of the disaster response.

Called *genLend* the service is a tangible way for people across the country to help power the recovery of Hawkes' Bay communities.

It operates similar to a toy library - if you own a bit of gear and can lend it for a couple of weeks, we will make sure it gets to people who need it.

We can arrange the pick-up and delivery, and then return the gear back to owners.

People can register their equipment online at: <https://www.genlend.co.nz>

Help is also being accepted in the form of financial donations for fuel, transport and insurance etc.

Donations can be made at:

St Andrew's Church

Acc #: 03 0642 00634245 000

Ref: Cyclone

Session has pledged to give \$2,000 and donations will be accepted to pass on to St Andrew's from members of our congregation.

These can be dropped off at the Office or if made online please ensure the reference indicates that it is for the cyclone relief.
