A special thank you

The Resource Team has been considering buying a wheelchair for use at Church.

Prices were sought and a bargain looked like it could be had at the Chemist Warehouse. Upon reading the reviews of their wheelchair (which said it was rubbish and to stay away from it) we approached our local store Mobility & More to see if they could price match or come close to it.

We are delighted to say that Kevin Bromley (the owner) has generously sponsored a wheelchair for us to use.

Please if you can, support his business and if you see him thank him for his generous gift.

Local is best!
