Special prayer for Barnabas Aid

Sovereign Lord, we lift up before You Christian women who are particularly vulnerable in places of persecution. We pray for widow and those whose husbands are in prison, who are left with minimal or no support for themselves and their children. Please enable them to lean on You, their heavenly husband, and know Your gracious provision. We ask that the abduction of Christian girls for forced marriage and forced conversion in Pakistan will cease, and that our sisters will develop and flourish in their relationship with their Saviour, in whose precious Name we pray.
(Psalm 68:5; Isaiah 54:5)
