Special prayer for Barnabas Aid

Our Father in Heaven, we ask Your protection for those entrusted with transporting scarce resources to our brothers and sisters in need. Please protect lorry drivers and others as they travel long distances to bring essential food, medical supplies and other aid to You suffering people. Guide them and empower them with Your energy as they transport their precious cargo across conflict zones and rough terrain. Grant them to complete deliveries safely to be Your means of blessing to Christians suffering throughout the world for their faith in Jesus Christ, in whose Name we pray.
