## Official Communication from Hawera Christian School

Dear Church Community,

We are absolutely **thrilled** to share some incredibly exciting news! Over the past few months, we have been working closely with the Ministry of Education, and we can now officially announce that we have secured a property for a **new, permanent school site**.

The new location is **2 Manawapou Road, Hāwera**, the former site of Te Kura Kaupapa Māori o Ngāti Ruanui.

This site will be our school's **new home for many years to come**, providing us with the space and stability to grow and thrive well into the future. We are so incredibly **thankful** for the support, prayer, and tireless advocacy that have brought us to this wonderful moment.

We will be officially moving into the new site on **Saturday, December 20, 2025**.

We are calling on your support to help make the move a success! **Moving Day** will begin at **9:00 am**, and we would be so grateful to see as many helping hands as possible. Your incredible **generosity and teamwork** made our last move a smooth and positive experience—let's do it again!

We eagerly look forward to settling into this exciting new chapter together and continuing to build a strong, faith-filled learning environment for our children.

Blessings,

The Board and Staff of Hawera Christian School

## Richard Brunton Ministries

Sunday 30th November

Workshop 1pm to 4pm

**Blessing is speaking God's intentions or favour over someone or some situation. When we do that in faith, we activate God's power to change a person (ourselves included), or a situation, from where they are now to where God wants them to be.**

**Every Christian has the authority and power to bless others in the name of the Lord and see lives and situations transformed.**

**Come and be equipped. A love offering will be taken.**
