Welcoming Teams

We have a new structure for this beginning on February 1st. We now have put all the volunteers for Door duty into two teams that will operate for 2 weeks, then the next team will do the following two weeks. We hope this will make the task easier as you will not be on for a whole month and it should spread the load. The team will also be responsible for taking the offering plates around at the appointed time in the service.

Thanks for volunteering your time.

If you have any questions please speak with Juan or Suzanne.

Survey If you haven't already please pick up and fill in a survey and drop it into the Seeds of Connection box. Thanks.
